

FDLRS Heartland at Heartland Educational Consortium in Lake Placid, FL Servicing DeSoto, Glades, Hendry, and Highlands School Districts

FDLRS and FIN have joined together to better service Florida school districts in their goal to improve the academic success for ALL students. They jointly offer support to districts, schools, teachers, families, and paraprofessionals through: professional development and coaching, knowledge of current teaching and learning trends, state updates about Exceptional Student Education, assistance with all diverse learners, assistive technology information and training, and pre-K screening for disabilities.
